

## Summer General English Programme

Experience spending a summer in the North of England.  
Improve your English and learn more about British life  
and culture.

# Summer General English Programme

## 4th July – 9th September 2011

The General English programme will help you to develop your:

- **language and communication skills:** you will focus on language, listening and speaking skills and improving your confidence to interact in everyday situations.
- **regional knowledge:** you will use all of your English language skills to find out about a variety of topics, as well as Leeds and local places in Yorkshire.
- **awareness of British life and culture:** you will be given opportunities to learn about aspects of British life and culture through course content and activities in the local area.

\* Students can enrol for a minimum of 3 weeks within this period, starting either July or August.

|                         |  |
